Genocides Against the Jews

Matthew 2:1-20

¹ Now after Jesus was born in Bethlehem of Judea in the days of Herod the king, behold, wise men from the East came to Jerusalem, ² saying, "Where is He who has been born King of the Jews? For we have seen His star in the East and have come to worship Him."

³ When Herod the king heard this, he was troubled, and all Jerusalem with him.

⁴ And when he had gathered all the chief priests and scribes of the people together, he inquired of them where the Christ was to be born.

⁵ So they said to him, "In Bethlehem of Judea, for thus it is written by the prophet:

⁶ 'BUT YOU, BETHLEHEM, IN THE LAND OF JUDAH, ARE NOT THE LEAST AMONG THE RULERS OF JUDAH; FOR OUT OF YOU SHALL COME A RULER WHO WILL SHEPHERD MY PEOPLE ISRAEL.' "

⁷ Then Herod, when he had secretly called the wise men, determined from them what time the star appeared.

⁸ And he sent them to Bethlehem and said, "Go and search carefully for the young Child, and when you have found Him, bring back word to me, that I may come and worship Him also."

⁹ When they heard the king, they departed; and behold, the star which they had seen in the East went before them, till it came and stood over where the young Child was. ¹⁰ When they saw the star, they rejoiced with exceedingly great joy.

¹¹ And when they had come into the house, they saw the young Child with Mary His mother, and fell down and worshiped Him. And when they had opened their treasures, they presented gifts to Him: gold, frankincense, and myrrh.

¹² Then, being divinely warned in a dream that they should not return to Herod, they departed for their own country another way.

¹³ Now when they had departed, behold, an angel of the Lord appeared to Joseph in a dream, saying, "Arise, take the young Child and His mother, flee to Egypt, and stay there until I bring you word; for Herod will seek the young Child to destroy Him."

¹⁴ When he arose, he took the young Child and His mother by night and departed for Egypt,

¹⁵ and was there until the death of Herod, that it might be fulfilled which was spoken by the Lord through the prophet, saying, "OUT OF EGYPT I CALLED MY SON."

¹⁶ Then Herod, when he saw that he was deceived by the wise men, was exceedingly angry; and he sent forth and put to death all the male children who were in Bethlehem and in all its districts, from two years old and under, according to the time which he had determined from the wise men.

17 Then was fulfilled what was spoken by Jeremiah the prophet, saying:

18 "A VOICE WAS HEARD IN RAMAH, LAMENTATION, WEEPING, AND GREAT MOURNING, RACHEL WEEPING FOR HER CHILDREN, REFUSING TO BE COMFORTED, BECAUSE THEY ARE NO MORE."

19 Now when Herod was dead, behold, an angel of the Lord appeared in a dream to Joseph in Egypt, ²⁰ saying, "Arise, take the young Child and His mother, and go to the land of Israel, for those who sought the young Child's life are dead."

A Culture of Victimization

- Created within the Jews
- Perpetrators have worked throughout history against them

Victim Spirit is Like Allergies

- Pervasive
- Occasionally deadly
 - A major nuisance, but not usually deadly
- Often tolerated in the name of character building when in reality it is a demonic assault
- A pattern of bad luck is usually characteristic of a victim spirit

Victim spirits

- Freak accidents
- Bad medical care
 - Don't get their regular/preferred doctor
 - Paperwork gets lost
 - Trouble with the insurance company
 - Simple procedures become complex
- Happens not just once, but repeatedly
- Some accident prone people can have physical problems that precipitate it.

Some people always end up with the lemon

- Always get the bad mechanic
- Always get the bad plumber
- Have trouble resolving simple issues
- Always seem to get cheated

Where it manifests:

- **Authority relationships:**

- Abusive relationship in home - past or present:

- **Work:**

- Look at other areas of their life and they often have bosses who are abusive
- They attend churches that tend toward spiritual abuse cloaked in the garb of spirituality
- They can change jobs and yet the new boss is also abusive, plays favorites, etc.

Where it manifests:

- **Sexual:**

- Manifests in sexual situations:

- not merely sexual abuse, rape, etc.
 - Also a spouse who is unreasonable in their demands sexually

Where it manifests:

- **Reputation:**

- will be the object of dishonor (especially in the home)
- if it has been normalized in the family, (kids mock a parent or sibling)
- the other members go along with it, tolerate it, celebrate it, etc. The victim laughs and goes along with it

Where it manifests:

- **Mantle of invisibility:**

- More common in women than men
- In conversations they are ignored or talked past
- The minister passes over them in the prayer line
- Passed over with promotions

**The victim spirit & predator spirit
have a natural partnership**

Whenever a victim is involved
in aggressive spiritual warfare,
you can expect to find the victim spirit hitting
them hard...and it is inappropriate to blame it on
the fact that the victim is going on the offense.

- It is a false belief that we must expect backlash when we engage in spiritual warfare
- When the US goes to war they do not expect to have as many casualties as their enemy

If we experience backlash...

- ...it often indicates:
 - Back door open
 - Sin in our life
 - Victim spirit, et al
 - Engaged wrongly
 - Engaged without authorization
- Is it a badge of honor or dishonor?

Is it generational or did it just begin?

- "When is the first instance you can remember being victimized?"
- If early childhood, then likely generational (high percentage)

Look at yourself & your siblings:

- How are they doing?
 - financially
 - socially
 - physically
- If there is a pattern of bad things happening?
 - If so, then likely generational

Look at your father & his siblings:

- How are they doing?
 - financially
 - socially
 - physically
- If there is a pattern of bad things happening?
 - If so, then likely generational

Look at your mother & her siblings:

- How are they doing?
 - financially
 - socially
 - physically
- If there is a pattern of bad things happening?
 - If so, then likely generational

Look at your grandparents & their siblings:

- How are they doing?
 - financially
 - socially
 - physically
- If there is a pattern of bad things happening?
 - If so, then likely generational

- If, after reviewing 3 generations, you will have a good idea if this is a generational issue

- Invariably in generational victim spirit situations, the issue is **iniquity**
- What is the sin that invited the sin into the family line?
- Pull together a ministry team with discernment?

Ministering to this...

- Ask: "**How many generations back do we need to go to deal with this issue?**"
- Trust the Lord to speak
- If you hear multiple answers you are likely looking at times the demon was re-empowered in your family line
- Ask: "**What happened to cause this?**"
- God will give words, pictures, or sensations to the team members.
- Go to that place, confess the sin, repent, apply the blood, ask that the curses be broken and the empowerment be removed from the family line.

Bring the cleansing forward...

- Bring the cleansing forward from that generation all the way to the present. From the 20th, to the 19th, to the 18th , to the 17th generation, etc.
- Bring the cleansing to you and your seed to 1,000 generations

- Once the line is cleansed, then you can command the demons to go
- *The only good deliverance is a boring deliverance!*
- Remove the legal ground first, then command the demonic to go

- Victim spirit is empowered by iniquity
- It is removed by confession, repentance & command
- We will go a step further – to reclaim the captured parts of our soul

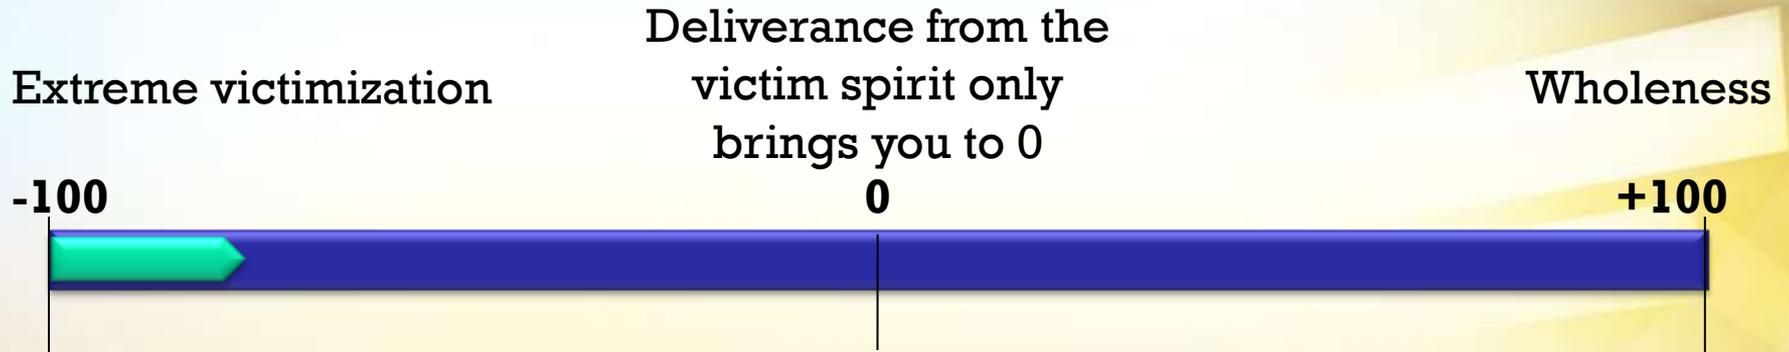

Why the reinfection?

- We need to go far beyond merely being set free from the demonic spirit
- The person needed to develop wholeness in their life
- We need to learn to operate in the opposite spirit (dominion)
 - Dominion - not domination
- Recapture the fragmented parts of their soul

The Progression of Freedom

- Partnering with the power of God to accomplish the will of God in the timing of God should be life-giving
- We are more than conquerors

- The focus has been on the demonic
- Dependence on the demonic spirit + the victim mindset
- **You rationalize** why it is right for things to go wrong
- “God wants me to stay and be a testimony?”

Romans 2:4 vs Isaiah 26:10

- Romans 2:4
 - ...knowing that the goodness of God leads you to repentance....
 - A predator spirit is rarely loved into the kingdom of God
- Isaiah 26:10
 - Let grace be shown to the wicked, Yet he will not learn righteousness; In the land of uprightness he will deal unjustly, And will not behold the majesty of the LORD.

Romans 2:4 vs Isaiah 26:10

- Some can be loved into the Kingdom of God
- Some have to be **spanked** into the Kingdom of God (Apostle Paul)

- When one with a victim spirit tries to "love the predator spirit into the Kingdom", all they are doing is empowering the predator spirit in the person
- The mindset of the victim spirit will rationalize why it is right for things to go wrong
- The Word of God say, the laborer is worthy of his hire (Luke 10:7)

Abusive Marriages:

- “It was right for my husband to hit me. I burned the toast for breakfast.”

Co-dependent Relationships:

- Two individuals who have justified to themselves why it is right to do what they are doing

I had a right to hit her, she didn't do what I said!

He had a right to hit me.
I was wrong!

Stepping Out

When the object of the jokes laughs along with the jokes as if the verbal abuse funny what they are displaying is a coping mechanism. It is not healthy. It is not holiness, it is not wholeness

Stepping Out

- Until the victim is willing to deal with **the deception in their own mind** it won't do any good to get rid of the demon
- They will have to **reinforce the boundaries** that will have to be set
- They will have to **walk in a context of not accepting victimization and not accepting abuse**

Servanthood:

- Have the mind of Christ
- Servant leaders
 - There is a difference between voluntarily and involuntarily sacrificing for another
 - Jesus never tolerated dishonor from the Jewish leaders
 - When they tried to strip him of his dignity, he always fought back
 - He would not back down from them

**We must learn to walk in discernment
to determine when a victim spirit is trying to mess
with us or whether we have the opportunity to pour
the oil and wine in someone's wounds**

- You challenge the predator spirit. (Usually a mild challenge)
- Predator spirit is a bully or opportunistic -- "Excuse me!"
- Typically a small challenge will cause the predator spirit to back down
- Never reason with a predator spirit
- Time spent reasoning merely empowers them

You simply...

- Don't reason with an abusive husband
- Don't reason with a rapist
- Don't reason with an abusive boss

- Raise your eyebrow and say, "Excuse me?"

Mentally confront the creatures:

- "If there is a victim or predator spirit in this situation, I command you in the name of Jesus to stop & be silent."

- Predator spirits partnering with a victim spirit (or someone who once had a victim spirit) can create a great deal of damage, but don't usually have a great deal of authority
- We need to recognize them for what they are and mildly confront them

Father, every place where our ancestors have sinned we ask that you reveal to us what we need to know so we may repent and be cleansed. We ask that every curse by stayed against our lives. For those whose lives were destroyed by our actions or the actions of our ancestors, we ask Your forgiveness and ask that, in Your mercy that You enact restoration in their lives. We have sinned against You and are sorry for our sins. Unveil to us any area of sin (hidden or not) so that we can bring it before You and be cleansed by the blood of Jesus. Father, we ask that Your blessings be restored to us and to our seed for 1,000 generations.

Every region of captivity that we did not go into, but we needed to, we ask you to show us so we can go in and capture the parts of our soul and spirit that have been imprisoned in these dark places.

Now, in the name of Jesus, we command every victim spirit to go from us. We command every predator spirit to go from us. We command EVERY unclean spirit to go from our lives NOW, in Jesus' name.

We ask Holy Spirit that you would fill every void in our lives – body, soul, and spirit with Your presence and peace. Direct us as we move into wholeness in You. Alert us to the ploys of the enemy to victimize us again.

Give us the courage to stand strong and true to who we are in Christ Jesus – as we are MORE than conquerors through Jesus who loves us. AMEN.

- The highest place of dominion is when an individual is seeking, finding and using the power of God to bless others lives!
- Mighty is the man of God who is able to speak blessing at the level that enables others to possess their birthright
 - That is walking in dominion over the victim spirit!
